1. "Yugoslavia does not want any upheaval in the present internal government of Albania, in the sense that Albania would become a satellite state of Yugoslavia. If this were to occur, Soviet countermeasures could be expected, and such a state of affairs would not be satisfactory to Yugoslavia.
2. "Neither would Yugoslavia look with favor upon the establishment of a democratic regime of western stamp or a nationalist dictatorship in Albania.
3. "Insofar as Yugoslavia is concerned, the most satisfactory state of affairs is the present regime in Albania."
